

# WELCOME TO OUR STUDIO FAMILY!

Thank you for choosing Front & Center and welcome to what we feel will be a most exciting year. Whether you are brand new or a seasoned veteran, we are proud to offer an excellent, well-rounded, and dynamic performing arts program. We pride ourselves on catering to the needs of both the serious and recreational student. We have created a caring, nurturing, and fun family oriented environment, and because of this, many of our students have made F&C their "home away from home." We invite you to do the same.

While we believe consistency and continuity are important, we feel that a quality program will change and evolve over time. We are constantly striving to meet the needs of each individual student; and in an effort to do so, we are thrilled to announce several new developments this year. Here are a few of the highlights we have in store for 2009-2010:

- Broadway Babes, a class for 2 ½ to 3 yr olds, will be added to our curriculum this year as a 45 minute drop off class. This perfect first time class experience was created to inspire the imagination and nurture the young love of theatre.
- More Combo and Showtime Classes will be offered at 3:00pm and 3:30pm during the week to help accommodate our younger students.
- In addition to our Year End Musical Revue in May, F&C will be presenting its 3<sup>rd</sup> Annual January Musical; a full scale musical production that has been overwhelmingly successful and received rave reviews since its inception. Stay tuned for the exciting announcement of what this year's show will be.
- Due to its success last year, our Production Class will be returning for ages 6-10. This hour and a half class will meet weekly and put on a performance of a 30 minute musical in late February. A perfect opportunity for your busy yet aspiring young performer!
- Calling all closet karaoke fans! A Parent Production Class will be added to the spring semester. A great chance to bond with other F&C parents while showing off your Singing/Dancing skills at the Year End Revue. C'mon why should your kids have all the fun?

We are very enthusiastic about our 8th season here at F&C. So get ready to have a spectacular year. Thanks again for your patronage and please check our website for further details at [www.front-n-center.com](http://www.front-n-center.com)

Kindly,

*The Front & Center Family*
