

Costume Requirements

- Costumes are ordered according to each company's sizing chart. We order up to allow for growth. Should your costume not fit 100% please ensure that it is altered to fit correctly. You are responsible for your own alterations. Sometimes straps need to be sewn to insure proper fit.
- All costumes will be distributed during regular class time during the week of April 19th. Parents of all PRE K students must be present or arrange for a care-giver or an adult friend to attend the last 30 minutes of the student's regular class time that week.
- Costumes come with tights for girls and all accessories.
- The same shoes that are required for class are required for the show. Combo students will be told if they need tap or ballet shoes.
- Costumes will be sent home and must be maintained in a clean and pressed condition, preserved in the original packaging. Costumes are not to be worn before dress rehearsal.
- Girls – As in class, no underwear is to be worn under dance tights.

Hair, Makeup & Jewelry

- Hair: Details for hair will be provided when costumes are handed out. Please ensure that hair is done neatly and properly before arriving at the theatre. Please use hairspray, gel, bobby pins, and hairnets for buns to insure that hair will stay neatly for the performance
- Makeup: We allow age appropriate at parents' discretion. There is no specific makeup required, but a small amount of blush, eye shadow, mascara, and lipstick will make female dancers look beautiful under the lights!
- ABSOLUTELY NO EARRINGS OR JEWELRY are permitted for the show. ***Please ensure that no ears are newly pierced at least 6 weeks before the shows, as you will be required to remove all earrings.***
