

PRE-SUMMER EXTENSION 2023

Continuing Classes May 23th-June 15th

Classes to be held at our current location at 95 Victory Road

(Please note: All 2023-2024 Company Members, and those planning to audition in June, are required to attend a minimum of 2 classes per week during the pre-summer extension.)

An early recital date gives us the chance to offer extended technique classes through the end of the school year. This a wonderful opportunity for your child to try something new or to simply continue weekly the weekly class routine until school gets out. If you have questions about appropriate classes or levels, please contact us at info@front-n-center.com or call 973-258-1123.

We look forward to seeing you in class!
